Pucker Up!

Hydrating Lip Volume

Want to kick-start your kisser into voluptuous mode? Apply this soothing lip balm night or day, and wake up to a fuller, plumper pout that will have heads turning. ***Pucker Up*** contains a unique combination of Lipoic Acid and DMAE, two powerful anti-aging compounds, to restore softness and fullness to even dry or thinning pouts. Young or old, this ***Hydrating Lip Volume*** delivers results in a voluminous fashion.

Note: No painful needles required.*
